CROSSFIELD GIRL ATTENDS RECENT CGIT CONFERENCE IN LETHBRIDGE

CROSSFIELD. — Miss Birgit Anderson, CGIT leader and representative, left Crossfield on Dec. 26 by chartered bus which carried many more of that group from Edmonton to Lethbridge, picking up its passengers as it pursued its course.

SCHOOL ACT AMENDED

Major change in Alberta's school act was approved last week by the provincial government through a special order in council.

The act was amended to allow electors of school divisions to vote in any poll in their own sub-division, rather than just their own poll.

Electorates are still limited to their own sub-division, however. Each school district contains several sub-divisions.

Kroschel's Rink Wins Bonspiel

BEISEKER.—Mr. E. Kroschel's rink placed first in the Beiseker Mixed Bonspiel, which ended recently. Other members on the winning rink were: Jake Krenzier, Allan Berreth and Mrs. Dave Lang.

L. L. Schaltz's rink came first in the losers' competition with the others on the rink being Servie Schmalz, Miss Vera Keim and Donald Schmalz.

Arriving in Lethbridge, they were dinner guests of the Girls' Work board and then billeted in homes in pairs. At Southminster church their photos were taken and here they attended the opening of Tuxis Boys' Parliament.

On Wednesday morning and all mornings, worship service was at First Baptist church, conducted by the president, vice-president and two other leaders. That day the girls heard four lectures on 'Effective Speaking' by the Junior Chamber of Commerce. They also heard lectures on Leadership Training by Rev. Mercer, Mrs. Crocker and Mr. Blackburn.

During the course of their stay excellent lunches were served by interested organizations.

On Wednesday afternoon there was an address and discussion group on the theme 'Look to This Day'.

Wednesday evening the CGIT and Tuxis Boys received supper at Southminster United church, followed by a camp program of singing, skits, vesper and taps.

On Thursday they toured the city in 1951 Pontiacs. This trip was sponsored by Emerson Motors and gave them a view of the famous bridge, ice and civic centres and the new collegiate. Returning from their journey they participated in a group discussion with the Tuxis Boys on 'The Church's Responsibility to Youth'.

This was followed by a box social at Southminster church. A Tuxis Parliament session was enjoyed, the topic being 'Total Abstinence', followed by a joint social organized by Southminster church.

Friday morning there was a discussion on 'Christian Girls and Their Dates'. They then attended a civic banquet and left for home Saturday noon after a delightful and inspirational session.

CROSSFIELD NEWS BRIEFS

The McDonald Brier local play-off games were a recent attraction in the curling rink and consisted of four rinks skipped by Wigle, Rowat, Wood and Lilley.

Two of the games were keenly contested, being tied on the 10th end and an extra end played in each case. Harry Wigle, skip; Gordon Purvis, third; Fred Becker, second; and Teddy Bills, lead; is the personnel of the winning rink and this foursome will take part in the district playoff at Olds near the middle of the month. This is a very good rink and we hope for their further success.

Lawrence Lilley skip, and his junior briars will compete in the district playoffs which this year are to be held in Airdrie on Sat., 13 Jan. Donnie Borbridge, Leonard Bland and Howie Woods complete the rink.

Mr. and Mrs. Brock Campbell are calling their new daughter Anita Jane.

Mr. and Mrs. Jim Rhodes entertained in their home after the New Year's dance to over a dozen guests. Mrs. Casey's turkey sandwiches are a real treat.

We are sorry to state that Mrs. Frank Laut has been ill again, having picked up the flu, which has made its presence felt in our district. We hope Virgie will soon be better.

Mr. George Murdoch is feeling much better and he and Mrs. Murdoch were able to spend Sunday with Mr. and Mrs. Herb Stewart and family.

Crossfield and district extend sincere sympathy to Mrs. W. Anderson, of the United church, in the knowledge that Mrs. Anderson has recently received word that her father, Mr. J. M. Enger of Norway, has passed away.

Paul Kinghorn is in a Calgary hospital and by some of the tests recently made the doctors have established the fact that part

of his illness is rheumatic fever. Other tests are being made and everyone is pulling for Paul to make a complete recovery.

MADDEN MURMURS

Mr. and Mrs. Hume Porteous had as their guests the latter's mother and father, Mr. and Mrs. A. Scott of Cupar, Saskatchewan, who are on their way to the coast. Miss Isabel Leask left Jan. 1st after spending the Christmas holiday with her mother and other relatives.

Mr. and Mrs. James Hamilton and family spent two weeks with the former's parents at Lucky Lake, Sask.

Miss Laura Liddell started on Dec. 27 to take a nurses aid course in Calgary.

Mr. Melvin Rach of Victoria visited his mother, Mrs. V. J. Rach, and other relatives in Madden for the Christmas season.

The New Year's dance held in the Madden hall on New Year's Eve was a huge success. It was sponsored by the local Red Cross Auxiliary. A five-pound box of chocolates, raffled during the evening was won by Howard Farquharson. The elimination dance was won by Mr. and Mrs. James Hamilton and the prize for the best old-time waltz was won by Mr. and Mrs. Johnny English.

Margaret, young daughter of Mr. and Mrs. Frank Preist, was admitted to a Calgary hospital for surgery.

Earl Elliott and Frank Preist are both patients in the Col. Belcher hospital. Earl is taking treatments on a foot injury which hospitalized him in Whitehorse last year; Frank is having an operation on his foot.

Mr. and Mrs. E. J. Stafford had as their guests the former's brother, Mr. and Mrs. Carl Stafford of Wainwright.

Crossfield Represented At Tuxis Meet

CROSSFIELD. — Two busses from Edmonton stopped at Crossfield to pick up the delegates of both C.G.I.T. and Tuxis groups which were to attend conferences and Boy's Parliament respectively from 26 to 30 December at Lethbridge. Another bus from Calgary joined them and picked up boys and girls along the way till they reached their destination. The opening ceremony in Tuxis Parliament was held Wed. evening, and was conducted by His Honor Lieutenant-Governor, Senator W. A. Buchanan, Mayor L. S. Turcotte was in attendance and brought greetings from the City of Lethbridge.

Various lectures were given each day by prominent members and ministers of parliament.

Everything except the meals was held in the Lethbridge Southminster Un. church. Breakfast was served in the Marquis Hotel Coffee Shop.

Every day of our attendance, we were treated to a banquet of some sort, most of which were held in the Marquis Hotel dining-room.

The parliament sessions were all held in the auditorium of the Southminster church. This is the same as the provincial or dominion parliaments except that it is on a much smaller scale. The third day, the afternoon was spent jointly with the C.G.I.T. for a tour of the city, conducted by Mr. P. O. Emerson. Mr. Emerson had a fleet of 27 1950 and 1951 Pontiacs for the occasion as he is a dealer for these cars. We were shown from one end of the city to the other and it was most thoroughly enjoyed by all.

The formal prorogation was conducted by Senator Buchanan on the last morning.

The trip was certainly a wonderful experience. It is most advisable to take advantage of attending one of these sessions if the opportunity ever presents itself.

Justice Lodge Members Installed

CROSSFIELD. — D. D. P. Margaret McCrimmon installed the sisters of Justice Rebekah Lodge into their respective chairs at the regular meeting of that lodge. The officers are as follows: Noble Grand, Ada Bailey; Vice-Grand, Dorothy Law; Rec. Sec., Grace Budgeon; Fin. Sec., Mae Fox; and Treas., Violet Hurt.

Tuberculosis On Decline

The Metropolitan Life Insurance Company reports that in 1950 there were 12 per cent less deaths due to Tb among their policyholders. The Company reports that the death rate due to the Disease is steadily declining without interruption.

The Company's statistical bulletin, however, warns that although Tuberculosis is being beaten back, due to continuous attack, it is not yet conquered. Greater effort to discover the disease earlier will, however, have the effect of reducing still more, year after year, the incidence of the disease.

The ultimate conquest of tuberculosis in our country will be expedited by concentrating on those measures which have been most productive in the past decades. These are, basically, early case finding, prompt and adequate treatment, and medical follow-up of arrested cases. Vigorous efforts along these lines are vital not only for the welfare of those with the disease but also for the protection of those who might become infected.

We feel certain that here in Alberta the mobile X-ray units have done much to track down otherwise unknown cases of the disease. Every case discovered in time, and adequately treated is one more step in the war to banish tuberculosis.

The Price of Oil

Oil producing interests claim that the price of oil in Alberta is in line with world prices and that if the new Alberta fields had not been discovered consumers here would be paying from 5c to 9c more for their gasoline.

Carl Nickle, Calgary oil authority, said in a radio talk that when the crude oil reaches the Ontario market next spring it will be necessary for Alberta oil producers to expect a somewhat lower price for their crude product in order to compete with American producers presently supplying the market. That means, according to Mr. Nickle, that prairie consumers will benefit.

Mr. Nickle points out that there are certain costs in the price the consumer pays for oil and for gasoline which the oil industry does not receive. He lists these as follows:

1. A provincial tax of 9c an imperial gallon.
2. A sales tax of from 1c to 2c a gallon.
3. Tank, truck or car distributing costs from refinery from 3c up to 15c a gallon depending on the distance traversed.
4. Service station operators' margin of 4c to 6c a gallon.

This newspaper is interested in the price of oil, because many of our readers are farmers, and the price of fuel is of great importance to agriculture. Alberta farmers spend over \$20,000,000 annually on oil fuel for farm purposes. Future expansion of Alberta markets may effect a reduction in costs of oil for farmers plowing within sight of oil derricks.

Canadian business says that when Alberta oil reaches the Sarnia market the price of Alberta crude at the well head will drop to \$2.60 barrel from the present \$3.00. If the Seattle market were reached it would drop to \$2.40. That would result in a savings of 20 per cent in present oil costs to this province's farmers.

Note and Comment

The Press is not only free; it is powerful. That power is ours. It is the proudest that man can enjoy. It was not granted by monarchs; it was not gained for us by aristocrats; but it sprang from the people, and with an immortal instinct, it has always worked for the people.—Beaconsfield.

Thank God every morning when you get up that you have something to do which must be done, whether you like it or not. One Man's Opinion

By RAYMOND ARGYLE

Alberta's radio stations boast that they carry as good a selection of programs as any other stations in the country. This is probably true. But something is ailing radio—something is eating into its vitals. And it is causing concern to educators, newspapermen, and radiomen alike.

More and more loud groans of disgust are resounding throughout the land, to the accompaniment of jazz bands, singing commercials, sob stories and endless repetition of news casts that fog the airwaves hour after hour.

Perhaps the reason is that there just isn't enough talent to properly fill the 18 hours of broadcasting that each station presents, or perhaps it is a matter of 'commercialization' that has spoiled radio. Yet, we don't find Alberta's non-commercial station, CKUA, any more inspiring than any of the private broadcasting units.

Radio occasionally reaches great heights of artistry—but more often is plunged into the depths of its own despair.

DIFFERENT FIELDS

Although both press and radio compete for the public's attention, their fields are so different there is often not much real competition between the two. And although a great deal of wordage in the press might be untalented and insipid, you don't have to read it unless you want to.

In other words, what afflictions might plague the press are not nearly so cruel on the public as are the afflictions of radio.

In reading your favorite newspaper or magazine, the ads don't break in on you just as the moment of suspense with hurly-burly singing commercials, syrupy-voiced announcers, dogs yapping for pet food, and so on.

Furthermore, you don't have to undergo odious hours of rot for lack of something better.

In defence of radio the experts say the public gets the kind of programs it likes best. We wonder! When has John Q. Public ever actually been called in to criticize a broadcasting station's offerings? Or is the so-called 'public criticism' limited to a bunch of dumb statisticians sitting in an ivory tower calculating the public's taste?

However, there's one thing I will give radio credit for. And that's for knowing enough to get those blasted soap operas off the air by the time the men get home from work.

During a recent bout with the flu, I spent two days in bed—and up to that time was innocent in my knowledge of the kind of bilge that comes over the radio when the little woman is busy with her housework.

Of all the 'daytime serials' (the soap operas), there's only one—'Big Sister'—which I could see was the least bit true to life. I couldn't imagine real people going around behaving like the characters portrayed in the rest of the stories.

As soon as the light begins to flicker in the western sky, however, and men start their trek home from the office and factory, the scene changes.

Off go the soap operas. On come the pleasing musical shows. And oh, in what ignorance the man of the family lives in regard to the radio diet his family consumes.

Plenty of the evening programs are the bunk, too, of course. And I think it might safely be said only about six hours of a radio station's daily time is spent on any worthwhile purpose, be it entertainment, education, or culture.

NOTES TO RADIO?

This doesn't mean that I say 'no' to radio as a whole. There's lots of programs I'd hate to miss. I count among these such as 'Treasure Trail', 'Gillette Sports Parade', the 10 o'clock news, Arthur Godfrey's 'Talent Scouts', and our own Omar Blondahl.

But on the whole, radio, to me, is just a bunch of sour grapes. And would I do?

First, I'd can the soap operas, establish a code of ethics for radio advertising, chop the news broadcasts in half, and liquidate half the murder mysteries.

That'd give me about 12 hours of broadcasting time left each day. And just see me go to work then!

Developing Industry

The industrial developments resulting from irrigation are contributing very substantially to the general welfare of southern Alberta and to the province as a whole. As oil has provided the shot in the arm required to encourage industrial development in central Alberta, irrigation is the driving force behind southern Alberta's industrial expansion.

TB - Attacked but not Conquered

Though tuberculosis has been pushed from first to eighth as a cause of death in Canada, it still kills more Canadians than influenza, poliomyelitis, typhoid, paratyphoid and scarlet fever, cerebral spinal meningitis, diphtheria, erysipelas, syphilis, whooping cough, purulent infection and septicemia, and measles. These diseases caused 2,416 deaths in 1949, whereas tuberculosis was responsible for 4,010 deaths.

Edmonton's Zoo

Dear Sir,—Most Edmontonians (including myself) would like to have the best zoo possible for their own enjoyment and for a tourist attraction.

Mr. Wallace (St. Louis Zoo architect) thought Borden Park was a good zoo site except that it lacked elevations for barless pit exhibits and certain landscaping effects; he therefore chose Walterdale. (Also, the Exhibition Association wants part of Borden Park.) Borden Park's playgrounds, good bus service and popularity is combined with the opportunity to give the captive animals abundant year round sunshine, shade during hot spells and protection from winds. Though Walterdale is next to playgrounds and provides shade from summer heat (which occupies only a small part of the year, it unfairly gives the captive animals limited sunshine, frequent day shortening powerplant fogs and full exposure to winds. Our winters are long. Borden Park lacks Walterdale's "convenience" requiring practically everyone to go up and down the steep river bank to reach it. Borden Park's ugly parts can be hidden. Walterdale's desirable elevations (some will need remodeling) are so located that even partly hiding the resulting spreadout of ugliness will be very difficult. Certainly a good chunk of the valuable natural beauty of the valley will be spoiled.

A top notch horticulturist, in his book on effective landscaping, describes how a certain large, deep, famous rockery in England was constructed from level land, partly by excavation and partly

by building small hills, exactly to fit the desired plan. He states that the result was one of the best planned, most beautifully landscaped rockeries he had ever had the privilege of working in or seeing.

Why not combine the advantages of Borden Park and Walterdale, with fewer disadvantages, by building small hills to order in Westmount Park?

Edmonton's rapid growth is yearly making our river valley more precious as an easily accessible place to find natural beauty, which is well known to be a healer and preventative of many human troubles. Shall we deprive our children and grandchildren of this beauty? With my suggestion, the Exhibition Association is satisfied, Mr. Wallace's objections to Borden Park are removed, we keep a beautiful valley and get a superior zoo.

Petitions from the people have done great things. Your opinion is valuable. Write or phone today to Mayor's Office, Civic Block. Your personal value is multiplied if you get others to write, phone or sign your letter.

Farm Prosperity, High Taxes Are Predicted for 1951

More government controls, a bright farm outlook, higher taxes, and the withdrawal of United Nations forces from Korea are predicted for 1951 in a 'Business Outlook' issued recently in the U.S. that contains important portents for Alberta.

The Outlook is issued by famed economist Roger W. Babson, who has an enviable record in this field.

He accurately predicted the Great Depression of the 30's and many other events.

Babson says America's political scene during the year will be dominated by jockeying for the presidential race in 1952. Much of Congress' time this year will be spent on international affairs, but "either war or peace could

come early in 1951."

FARM OUTLOOK SAID GOOD

The Outlook declares that North America's farm outlook will be good, which is one of the many references of importance to Alberta. Farmer's income should average no less than that of 1950, and barring crop failures, "the total supply of food available should be larger in 1951 than for 1950."

Taxes will be higher, and the U.S. will put through an excess profits tax, reports Babson. The stock market appears to be uncertain, but real estate activity will decline.

New home construction will be slowed by a shortage materials

NEWSPAPERMEN HOLD MEETING

The executive of the Alberta Division, Canadian Weekly Newspapers Association, has called its quarterly board meeting for Edmonton on Jan. 13, 1951. President C. A. McLean of Strathmore will preside. It is customary to hold the first meeting of the year in the provincial capital, said Ken Patridge, secretary.

caused by emergency defence measures, and a swing back to prices controls will put the damper on new building. "There is no incentive to build homes for rental income," says the Outlook.

The coming decline in building will throw a wet blanket over speculation in vacant suburban lots.

The Outlook says the labor demand will continue high, but that there will be no major wage boosts in leading industries.

The list of predictions concludes with the statement that the U.S. in 1951 will have the largest national income of its history. A similar trend is indicated for Canada.

OMAR BLONDAHL, seen here with his "old nine-dollar guitar," has emerged as one of Alberta's top radio personalities, is currently busy with two programs, the March of Dimes campaign, and a new private business, "Omar's Recordings". See story below.

Omar Blondahl Rated As Top Radio Personality

Northern Alberta's best-known radio personality, who needs no other introduction than his first name, "Omar," is one of the busiest men in his field these days.

Two radio programs, countless public appearances, and a new private business venture are making Omar Blondahl a leading figure in Alberta entertainment.

A unique broadcasting style that combines a glad-hearted early-bird personality with a down-to-earth brand of speech has carved him a solid niche in Alberta radio.

The 30-year-old artist who never lets his listeners forget he hails from Plumb Coulee, Sask., is of Icelandic descent, and got into radio back in Winnipeg in 1939.

His programs, "Breakfast with Omar," and "Town and Country," are well known to radio audiences, who listen to dial Edmonton CFRN when he's on the air.

They are disc-jockey type programs with friendly chatter and that added "something different" so needed to go places in radio these days.

Omar, who's married and lives on Edmonton's South Side, has branched out with Omar's Recordings, in partnership with R. W. Galloway.

They'll be kept busy recording weddings, speeches, parties, making talking letters, or anything else that can be put onto a disc.

Omar is also a vice-president of the Canadian March of Dimes, Edmonton branch.

Through the medium of his two programs he is playing a major role in this month's campaign to raise funds to fight polio.

Take your place with men like these

The Skilled "Soldier-Tradesmen" of the R.C.E.M.E.

The workshops of the Royal Canadian Electrical and Mechanical Engineers are expanding rapidly—in step with the growth of the Canadian Army Active Force. The men of the R.C.E.M.E. are doing their part to make Canada strong.

There is an urgent need for skilled tradesmen to man the workshops of this vitally important corps of "soldier-tradesmen". Skilled craftsmen are required to fill the posts of automotive mechanics, fitters, toolmakers, radar and radio technicians, instrument makers, welders, watchmakers, machinists and other key jobs.

If you qualify as a skilled tradesman, there's a place for you in the R.C.E.M.E. You can serve now—when Canada needs you—as an expert "soldier-tradesman".

To enlist in the R.C.E.M.E. you must:

1. Be a Canadian citizen or British subject.
2. Be between 17 and 40 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

Government Business Is Your Business

Our way of life leads us to believe that some measure of comfort, security and contentment is a natural right, whether we are employable or not, whether we are approaching the end of a useful life, whether an orphan, widow or blind.

Your Department of Welfare through the branches outlined below, is constantly trying to improve the services and benefits rendered, to achieve the best possible social democracy.

OLD AGE PENSIONS: First introduced in 1929, the maximum old age pension now payable in Alberta under dominion-provincial agreement is \$40. In addition, the province makes a supplementary allowance of \$10 per month to all pensioners of Alberta residing in the three western provinces and provides hospital, medical, dental and optical services free to all pensioners and dependents. Pensions are paid to the blind at 21 years of age.

MOTHERS' ALLOWANCES: Aid is provided by this Branch to needy widows, wives of persons committed to a mental hospital, and to women who have been deserted; who have children under the age of 16 years, or under the age of 18 years if attending school and making satisfactory progress. Hospitalization and treatment services for all recipients and dependents are provided by the province free.

CHILD WELFARE: All children who become wards of the Government by Court Order, or by Agreement or Indenture, come under the control of the Child Welfare Commission. It is the policy of the Commission to have such children placed as soon as possible in appropriate foster homes, where they may have the advantages of being brought up as members of a family group, thereby giving them the opportunity of later becoming permanent members of the family through legal adoption.

PUBLIC ASSISTANCE: The council of every municipality is authorized to make provision for the maintenance or partial maintenance of its indigent residents and for their care and treatment when sick.

OLD AGE PENSIONS:

Pensioners' Hospitalization \$1,033,000
Mothers' Allowance 804,000
Child Welfare 440,000

Why, Of Course!
 At a college examination a professor asked: "Does the question embarrass you?"
 "Not at all, sir," replied the student, "not at all. It is quite clear. It is the answer that bothers me!"

No Charge There
 "Since you have broken your engagement to Tom because your feelings toward him aren't the same, are you going to return his ring?"
 "No; my feelings towards the ring are the same as ever!"

What He Stood For
 Hostess — "Oh, I'm so glad to see you here, General."
 General — "Thank you."
 Hostess — "But, General, I hope you won't take it personally if I say that I'm opposed to war."

Not Yet
 Gunner — Do you know, honey, if I had to do all over again, why I'd marry?
 Wife — No, who.
 Gunner — You.
 Wife — Oh, no, you wouldn't.

LETTER TO LOUISA

Patience and Forbearance In Vet's Family Advised

Dear Louisa:— My husband and I cannot get along since he came back from the army. He stays out late nights, gambles and drinks and never likes to go anywhere with me.

When I go visiting by myself he doesn't like that either. He wants me to stay at home all the time. He treats me like his servant and not his wife.

He hurts me by using bad words and lays hands on me. He is peaceful for some time after the fight, then when he gets in a bad mood he starts the same thing all over again.

We have three children he never seems to notice.
 My sister lived with us for some time but has moved out. She still comes and visits and gives me a hand with the work though. No matter what goes wrong my husband blames her for what happens.

I would like to know what's the cause of his actions and want your advice in order to get along with him.

I want to marry him and have a home of my own with a family. Do we young folks owe more to our parents than we do to our future?

Answer:
 Yours is an age-old problem. No parents, of course, should expect to hang on to their children forever. If, however, you are very young, or just over twenty and your parents really need you for a year or two for their adjustment, it is not too much to ask. The adjustment period should not be stretched indefinitely though.

Question:
 I am fifteen years old and go to school. Do you think I am too young to have dates? I don't mean going steady or anything serious, but to a movie or dance once in awhile. If you have no boy friend where I live you are left out of things.

Answer:
 The safest and healthiest entertaining activity for the early teenagers is still in groups, but the occasional movie or dance accompanied by a boy known to your family is all right if that is the generally accepted thing in your community. Give your family a chance to really know your friends and there's a good chance they won't object to you going out with any decent reliable boy.

Delegates from the Alberta Association of Municipal Districts met with the provincial cabinet last week to submit 31 resolutions passed at the group's annual convention.

A brief presented by the delegation urged the province to consider giving municipal councils authority to control rates of speeds of vehicles in hamlets. This power is extended to town and villages and the request was a reiteration of a similar resolutions in 1948.

One resolution requested the construction of a highway traffic bridge across the Peace River at Dunvegan.

The brief also called for re-institution of the coyote bounty in Alberta.

Members of the AAMD are: C. P. Hayes of Strome, president; A. B. Haarstad of Bentley, vice-president; and directors E. Cammaert of Rockyford, G. W. Moyer of Fort Saskatchewan, and J. F. Smith of Fairview. Secretary is David Roberts of South Edmonton.

Increasing consciousness of the need for game conservation has heightened interest in Sports-Shows in Canada.

SEARCH FOR TALENT SERIES CONTINUES IN ALTA. TOWNS

Second half of the series of Search for Talent programs resumed at Camrose, Saturday, January 6.

The fall series which took the search for talent troop to eight towns has been most successful, and the joint sponsors of the program are confident of continued overflow audiences and talents of very high calibre at the 17 remaining centres in the new year.

Joint sponsors are the Edmonton branch of the Associated Canadian Travellers and Radio Station CFRN. This is the fourth year in succession that the ACT-CFRN Search for Talent Troops are visiting Northern Alberta towns, with the dual objective of finding musical talent and raising funds for Northern Alberta's needy crippled children.

Towns visited during the fall series were Thorhild, Viking, Sangu, Ryley, Lamont, Evansburg, Willingdon and Devon.

Following Camrose the troop will visit Bon Accord on Jan. 13, Ponoka Jan. 20 and Andrew Jan. 27. Weekly visits will continue to other towns during February, March and April. In May winners from each of the 25 centres will participate in the semi-finals and finals in Edmonton.

Ultimate winners both by popular vote and by judging will likely seek further laurels through musical circles in Edmonton and Northern Alberta.

Winners in each centre are declared after a two week's campaign of balloting by those in ad-

tendance on nights of the program and the radio audiences listening to the program over CFRN.

Carbon Wheat Club Reorganizes

A meeting was held in the Carbon Legion hall on Dec. 28, at which the Carbon Wheat Club re-organized for their fourth consecutive term.

Acting chairman for the election of new officers was Don Buyer. New officers elected were:

President, Ed Cannings; vice-president, Marjorie Leiske; secretary, Vivian Sigman. The advisory committee consists of: Leader, Norman Ohlhauser, and his helpers, John Leiske, Ted Schmidt, Ed Foster and Dick Garret.

Mr. N. F. Bell of Drumheller was attending the meeting and he told us of some new activities we will try to achieve throughout the

coming year. We are hoping that 1951 will be better even than 1950, which was a very successful one.
